

Secondary Site Long Range Planning Ideation: HOLLY ROMANO

Work with your co-operating teacher to begin brainstorming and thinking about your teaching plan for spring semester. These are merely idea starters and meant to help you begin your planning and work when you are full time teaching starting January 2024. Note down central foci/big ideas/themes you and your mentor teacher may want to explore while you are there as a student teacher in spring semester.

- Think about what grade or course you will teach first and which you will pick up later
- The goal is you pick up a grade level or course each week so by the end of 7 weeks you are teaching the whole teaching load that your cooperating teacher handles.
